

Norra El Norra (Entering the Ark)

Orphaned Land

Norra El Norra (Entering The Ark), ,,, , , , Translation: Nora El Nora, the lord of courage, Return to me my lord,
men my wounds,
my soul is yerning, and in valor we wait. Nora I sing to thee, hymn of praise,
to you I give my life and faith Through all time, mighty Nora,
deliver us the progeny of abraham, Offspring of greatness,
you are the living God,
giver of Torah.
