

Parade Of The Dead (Unplugged Version)

Black Label Society

Exterminate the laws of old
The sacred past begins to roll
Oh oh the denying of your death
Oh oh the machines must be fed
Parade of the dead
Parade of the deadThe asylum marches on
The men that kill whats left is gone
Oh oh the denying of your death
Oh oh the machines must be fed
Parade of the dead
Parade of the dead
The machines must be fedRevenge, and retaliation
The shadow of man's war has been killedThe masses in the grave
I bet that can't be saved
Oh oh the denying of your death
Oh oh the machines must be fed
Parade of the dead
Parade of the dead
