

# Starling

[Tori Amos](#)

Starling you were right I am the jealous kind  
Whoever would have guessed  
Starling, now I am shut out and confined  
Even within my nest  
What, what does it take to make it through another day  
If a feather lined with his words becomes a blade?  
Starling when he screams  
He screams in black and white just like the magpie  
Shattered night then I woke  
Not to a lonely lark but to a raven's cry  
If a feather lined with his words becomes a blade  
Then what, what will it take to make it through another day?  
So when they play, play the song sing along  
It could be your turn to shine if you know the lines  
Hey, what's that you say?  
You can find, find him online most of the time these days  
Is that right, I say  
You were right starling
