Right On

[Marvin Gaye](#)

Hey baby, that's alright people
I know that's alright
Everyday, that's alright
Oh, when we love each otherI know that's alright
Oh just feel it, feel it
Oh everybody feel it
God know that's alright, yesSome of us were born with money to spend
Some of us were born for races to win
Some of us are aware that it's good for us to care
Some of us feel the icy wind of poverty blowin' in the airFor those of us who simply like to socialize
For those of us who tend the sick
And heed the people's cries
Let me say to youTurn on, on, feel it, feel
Yeah, oh, oh, oh Lord, Lord, people
And I say, right on
Honey, right onFor those of us who live where peace is craved
For those of us who live, where hatred is enslaved, alright
For those of us who live a life, yeah
Surrounded by good fortune and wealth, talk about itFor those of us who live a life, hey, hey, hey enjoyin'
ourselves
For those of us who got drowned in the sea of happiness
For the soul that takes pride in his God
And himself and everything elseLove, love, sweet love, love, wonderful love
Ah, true love, love, love for your brother
And love, love for God
Love, pure loveAh true love can conquer hate every time
Give out some love and you'll find peace sublime
And my darlin', one more thing
If you let me, I will take you to live where love is king
Oh, baby
