

Fallin'

Laura Doyle

Just cause your broken and junk sick
doesn't mean you need it so much

Just cause your lonely and love sick
doesn't mean you need it so much

Just cause your dreaming the pin prick
doesn't mean you need it so much

Donâ€™t you hear them calling,
when your falling they're here,
theyâ€™re here though your heart is breaking,
youâ€™re not forsaken theyâ€™re here, theyâ€™re here

Just cause your empty and shattered
doesn't mean you need it so much

Just cause youâ€™re bruised and battered
doesn't mean you need it so much

Donâ€™t you hear them calling,
when youâ€™re falling theyâ€™re here,
theyâ€™re here though your heart is breaking,
youâ€™re not forsaken theyâ€™re here, theyâ€™re here

and high above you and all around you
and everything you see on the earth and under the sun
has an angel who does sing

Donâ€™t you hear them calling,
when youâ€™re falling theyâ€™re here,
theyâ€™re here though your heart is breaking,
youâ€™re not forsaken

theyâ€™re here, theyâ€™re here
