Take My Hand

Wayne Toups & Zydecajun

When I look
At your face
You're still as pretty as an angel
But there's something out of placeWhat's wrong with you, baby
I don't understand
Is it just me
Or do you want another manTake My Hand
Say you'll be true
Say those simple words
Oh, I love you, only you
Take My Hand
Oh, and hold it tight
Take My Hand
And everything will be alright
You still got the moves
That blow me away
And when you kiss me baby
I still don't know what to sayDeep down inside me
I know somethings wrong
I'm still a fool for you honey
Was I your fool all alongTake My Hand
Say you'll be true
Say those simple words
Oh, I love you, only you
Take My Hand
Oh, and hold it tight
Take My Hand
And everything will be alright
Yeah, Yeah
I got the feeling
That you want a new life
But I was hoping that someday
Oh, you'd be my wife
I understand if you want someone new
I can just about imagine how long it would take
To get over you, Oh!Take My Hand
Say you'll be true
Say those simple words
Oh, I love you, only you!

Take My Hand
Oh, and hold it tight
Take My Hand
And everything will be alrightTake My Hand
Say you'll be true
Say those simple words
Oh, I love you, only you!
Take My Hand
Oh, and hold it tight
Take My Hand
And everything will be alright
