

# Frequency

## Fear Factory

Delay and erase  
Cut it all up  
The change I've arranged

Splice and dissect  
Move it around  
To make it perfect

Coming in clear  
Loud and compressed  
To deafen the ears

This frequency  
That I can hear  
Is all I can see

What is your frequency  
(coming in clear)  
What is your frequency  
(coming in clear)

Mixing in sounds  
Out of your mind  
Go into the ground

Coming in clear  
Loud and compressed  
To deafen the ears

This frequency  
That I can hear  
Is all I can see

(coming in clear)  
(coming in clear)  
All I can see  
(coming in clear)  
All I can see  
(coming in clear)

What is your frequency

(coming in clear)

What is your frequency

(coming in clear)

What is your frequency

(coming in clear)

What is your frequency

(coming in clear)

The frequency
