

# Killa (feat. Yung Joc)

## Cherish

Yo Joc, yeah?  
I don't think they ready for this one  
Cherish, they make me wanna lose control  
Yeah, you know who it is, Joc Darkchild I'm in a white beater two seater cruise control  
Pull up and your girl might lose control  
Not playa circle but a duffel bag boy  
Guarantee they can't get enough of that boy Saw him from a distance  
And I watch him make his way to the bar  
He walked up to me slowly, whispers  
And he says, "I know who you are  
I wanna get to know you" I can tell he was playa  
But he knows just how to make ya  
Lose control, somehow I knew Shawty is a killa but I really want him  
And I gotta have him tonight  
Shawty heart breaker but it really don't matter  
'Cause I really want him tonight The way he licks his lips  
I'm in a infatuated state of mind, oh, yeah  
He's so hard to resist  
I gotta tell you baby boy, you're so fine  
Just gotta have you, oh, yeah I can tell he was playa  
But he knows just how to make ya  
Lose control  
If you only knew that Shawty is a killa but I really want him  
And I gotta have him tonight  
Shawty heart breaker but it really don't matter  
'Cause I really want him tonight Shawty is a killa but I really want him  
And I gotta have him tonight  
Shawty heart breaker but it really don't matter  
'Cause I really want him tonight Oh, it feels so wrong that it must, it must be right  
And I'm so high don't wanna come down  
Just let me fly Aye, aye, let me talk to um  
My whips push button, no car keys man  
Pop the top like a sardine can  
Wrist stay fluttered like New Orleans man  
Labron can't stop, I'll be ballin' man Yeah, I'm pretty sure that you heard the rumors  
Gotta a big big cohuna  
I'ma pretty slick like Rick Da Rulla  
Keep one eye open, my hand on that rude I Rock Da Cladio, my shades gazel  
I break hearts, I heartbreak hotels

I treat yo chick like a pair of ones  
Wear ha out one good time and shawty Shawty is a killa but I really want him  
And I gotta have him tonight  
Shawty heart breaker but it really don't matter  
'Cause I really want him tonight Shawty is a killa but I really want him  
And I gotta have him tonight  
Shawty heart breaker but it really don't matter  
'Cause I really want him tonight
