

Drinkin Again

Diamond Head

[Tatler / Tart / Wilcox]Monday morning and my head is feeling bad

I need a bolt of lightning just to get me out of bed

Don't you know that life's a bitch and then your gonna die

I feel like the king of the blues I think I was born to cry

That's why I'm drinking again

Drowning all my sorrows

Drinking again

I'm drinking like there's no tomorrow

Drinking again, drinking again, yeah, yeah, yeah

I'm so dependant on the needs of my sin

My one and only friend, its gonna do me in

When life has dealt all its toughest cards

These wounds just don't heal; I'm bleeding from the scars

Drinking again

Drowning all my sorrows

Drinking again

Drinking like there's no tomorrow

Drinking again, drinking again, yeah, yeah, yeah

How does it feel to lose the power, to lose the will?

When you're down and out and in need of a friend

I turn to Jim or Jack to lend me a hand

That's why I'm drinking again

Drowning all my sorrows

Drinking again, drinking again, yeah, yeah, yeah

That's why I'm drinking again

Fixing again, yeah, yeah, yeah
