

Sad and Blue

Primal Scream

Baby, I love you, baby, I need you
Baby, I love you, baby, I need you Baby, I'm lonely
I need you here to hold me
I'm sad, so sad and blue
I'm not with you Baby, I'm thankful
Thank you for your kindness
Baby, I'm thankful, thankful, thankful
Thank you for your kindness You've always stood by me
You never denied me
I'm sad, so sad and blue
I'm not with you Shine on me, sister
Let your love light shine
Shine a light on me, sister I've got a ragged heart
I'm feelin' dark
Let it shine, let it shine
Let your love light shine Baby, I love you, baby, I need you
Baby, I love you, baby, I need you Baby, I'm lonely
I need you here to hold me
I'm sad, so sad and blue
I'm not with you Please hold me, I'm lonely
Please hold me, I'm lonely
I need you, I'm not with you
So sad
