Fettuccine pasta and all the other synonyms  
Women I be swimming in Carolyn and Marylin, Virginia and Savannah  
It feel good to be American  
I done hit the cities and left jackals in the ambulance  
Chilling in your house, waiting on you like I'm brother, man  
When it come to the money I don't under I overstand  
Middle finger in the air bottle in my other hand  
Let's make a toast  
We ain't never going back to being broke  
Everyday stay stacking up the dough  
Let's make a toast  
(Let's make a toast, woah, oh)  
Yeah, let's make a toast, let's make a toast  
How she popping when she drop it down low  
I just whisper in her ear move it slow  
Let's make a toast
