

# Close Your Eyes (Faze Action Remix)

Bebel Gilberto

You know you can feel the breeze with patience of a lifetime  
Dance above the trees to the rhythm in your mind  
Gently touching your skin inside out  
Floating on the seas, it carries me around You can close your eyes and never be alone  
(4X)Penso em vocÃª, sinto um gosto de mar  
Nos grÃ£os de areia, e eu a rolar  
Vou rodar o mundo, mas aqui Ã© o meu lugar  
Eu vou rodar o mundo mas aqui Ã© o meu lugar You can close your eyes and never be alone  
(4X)Since the day I left, from the start  
I can feel megabytes of memories in my heart  
Wish I disappear and wake up in some other place  
Where there's no pain or fear, is simple like 'Hello' You can close your eyes and never be alone  
(4X)
