

A New Medicine

Meat

a new medicine
electrical
a new medicine
big shock, yea
sick boy
walks in a void, ask anyone
sick boy
said i just wanna live
gotta get my head all fixed
a new medicine
electrical
a new medicine
big shock, yeah
a new medicine
shaking on your floor
i just decided
i just decided, i want to
sick boy
say it's all the rage, tell everyone
sick boy
has big sick dreams to find a real sick girl

a new medicine
electrical, oh
a new medicine
big shock, yeah
a new medicine
shaking on your floor
i just decided
i just decided i want to
anything
i'll try anything twice
a new medicine
electrical, oh
a new medicine
big shock, yeah
a new medicine
shaking on your floor
i just decided

i just decided, i want to
