Love Is Gonna Save Us

Benny Benassi

Stones and flowers on the ground
We are lost and found
but love is gonna save us
Shadows walking in the crowd
we are lost and found
but love is gonna save us
~
Stones and flowers on the ground
We are lost and found
but love is gonna save us
Shadows walking in the crowd
we are lost and found
but love is gonna save us
But love is gonna save us
~
Stones and flowers on the ground
We are lost and found
but love is gonna save us
Shadows walking in the crowd
we are lost and found
but love is gonna save us
But love is gonna save us
~
Stones and flowers on the ground
We are lost and found
but love is gonna save us
Shadows walking in the crowd
we are lost and found
but love is gonna save us
~

Stones and flowers on the ground
We are lost and found
but love is gonna save us
Shadows walking in the crowd
we are lost and found
but love is gonna save us
But love is gonna save us
~

Stones and flowers on the ground
We are lost and found
but love is gonna save us
Shadows walking in the crowd
we are lost and found
but love is gonna save us
~
Stones and flowers on the ground
We are lost and found
but love is gonna save us
Shadows walking in the crowd
we are lost and found
but love is gonna save us
But love is gonna save us
~
Stones and flowers on the ground
We are lost and found
but love is gonna save us
Shadows walking in the crowd
we are lost and found
but love is gonna save us
