Love Is Unfair

CDM Kiratu

LOVE IS UNFAIR (Three words that say I love you)
CDM Kiratu

Dear me love is so unfair
If the one one loves so dearly
Cannot spare a moment for one's love
How I wish I had no heart to love.
Every time I try to think of you
And remember your glorious memories
Tears come my eyes cannot see
I need someone to wipe away my tears.

Chorus
Lonely me, lonely heart
I need someone to whisper to me
Three words, three words, three words that say I love you
Lonely me, lonely heart
I need someone to whisper to me
Three words, three words, three words that say I love you.

Everyday I make an effort dear
To forget you and your memories
I can't you are so dear to me
So lovely I don't know what to say
Happy days we spent together love
Fun and laughter we share together mum
Come to me and let's repair the love
Love that'll last forever and ever more.

Chorus
