

On A Night Like This

[Chris Mann](#)

On a night like this,
I could fall in love, I could fall in love with you
In this dark so dense, we talk so soft
The way young lovers do. The day's last sigh
Turns a cool night breeze
And this love hangs thick like these willow leaves
I've hid myself away from this
But your silhouette is a Judah's kiss
The day's last sigh
Turns a cool night breeze
And this love hangs thick like these willow leaves
I've hid myself away from this
But your silhouette is a Judah's kiss On a night like this
I could fall in love, I could fall in love with you
