First Time

Pleasure P

[Verse 1:]Here We Are
All Alone
Top Down On The Highway
Riding With The Summer Breeze Blowing
Through Your Hair In The Air
Yo Perfume Smells So Good
& I Just Can't Stop Thinking Bout Things I Wanna Do To You
[Chorus:]Ohh Those Eyes, That Smile, Those Thighs
Ohh You So Fine Babe
Imma Bout To Pull This Car Over Right Now
& Pull Your Panties To The Side Babe
Then Im Gonna Blow A Little Kiss
To The Lips In Between Yo Hips
We Been Wanting This So Damn Long
& Now It Finally Come To This
& I Wanna Make Love All Night Baby
Im Going To Get You Going Crazy
Im Going To Take My Time I'm Patient
We Both Been Anticipating Our First Time
Yeah We Do It A Lot More
But Ain't Nothing Like That First Time

Ain't Nothing Like That First Time
[Verse 2:]Girl I Found That Special Place Inside You
& It Feels Like Heaven
The Seats Are Down
The Windows Fogging Up Now
& I'm Finally Doing All The Things That I Wanna Do To You
[Chorus:]Ohh Those Eyes, That Smile, Those Thighs
Ohh You So Fine Babe
Imma Bout To Pull This Car Over Right Now
& Pull Your Panties To The Side Babe
Then Im Gonna Blow A Little Kiss
To The Lips In Between Yo Hips
We Been Wanting This So Damn Long
& Now It Finally Come To This
& I Wanna Make Love All Night Baby
Im Going To Get You Going Crazy
Im Going To Take My Time I'm Patient

We Both Been Anticipating Our First Time
Yeah We Do It A Lot More
But Ain't Nothing Like That First Time
Ain't Nothing Like That First Time
