

# Come To Jesus

## Planetshakers

This is for the weary and the weak  
This is for the desperate and ashamed  
This is for the hopeless hiding in the shadows  
Cupping hands around a flicker of faith  
This is for the ones who don't belong  
This is for the silent castaways  
This is for the sinner peeking through the stained glass  
From a sidewalk in the cold, driving rain  
We all fall down, we all need saving  
Once in a while, you are not alone  
We all lose faith and lean on mercy  
But through our darkest night, He said He'd wait for us  
Just come to Jesus  
For anyone who's given up on God  
For those who've tripped and fallen out of grace  
For anyone who's looking to the bottom of a bottle  
For the strength to make it through another day  
We all fall down, we all need saving  
Once in a while, you are not alone  
We all lose faith and lean on mercy  
But through our darkest night, He said He'd wait for us  
Just come to Jesus, come to Jesus  
He did not come to raise the living  
Or touch the eyes of those who see  
It was for the bitter and burned out  
It was for the unforgivable  
It was for the failure standing on the bridge  
Because the guilt's too high a price to pay to live  
We all fall down, we all need saving  
Once in a while, you are not alone  
We all lose faith and lean on mercy  
But through our darkest night, He said He'd wait for us  
Come to Jesus, come to Jesus
