Hop hop hop hopI know someone who is lots of fun
With a happy kind of dancing
All of her friends say baby bop
Do the baby bop hop
Hop hop hop
Hop hop hop hopI know someone who is lots of fun
With a happy kind of dancing
All of her friends say baby bop
Do the baby bop hop
Hop hop hop
Hop hop hop hopSo sing this song, you can hop along
Whenever you feel like jumping
'Cause when you hop, you feel tip top
Doing the baby bop hop
