

# Chasing Rainbows

## Shed Seven

There are things that I regret  
Like being called a nervous wreck  
And working up another sweat for you  
There's nothing that I can do  
For counterparts and bleeding hearts  
And all the things that fall apart for you  
I don't keep my secrets there  
I hide them everywhere  
I could deny  
But I'll never realise  
I'm just chasing rainbows  
All the time  
I could deny  
But I'll never realise  
I've been chasing rainbows  
All my life And then I missed my cue  
Everybody had a laugh  
And then went for an early bath  
Did you  
I don't keep my secrets there  
I hide them everywhere
