

I Want to Live Beyond the Grave

Mountain Heart

When all life's journey here is oer'
and time for me, will be no more,
I want to dwell with all the saints,
I want to live beyond the grave!

Chorus:

When death is come, and I must go,
from this stained world of sin below.
I will be one among the saints,
I want to live beyond the grave!

I gave my life to Christ the Lord!
I'm trusting in His Holy Word!
Believing He, my soul is saved,
I want to live beyond the grave!

Chorus:

When death is come, and I must go,
from this stained world of sin below.
I will be one among the saints,
I want to live beyond the grave!

I'm happy in my Saviour's love,
He sent me from His throne above.
I've found sweet peace, I long did crave,
I want to live beyond the grave!

Chorus:

When death is come, and I must go,
from this stained world of sin below.
I will be one among the saints,
I want to live beyond the grave!
