

Willow Tree

Nicki Bluhm and The Gramblers

Waking up at home,
Sea breeze in the window
Cypress stands alone
Wonder where I'll roam Will you let me be?
Sit and sip my coffee
Strum guitar and see
If a song will come to me Draw the water warm
Listen to the rainstorm
Kettle pops the corn
Sleep and dream till morn Sun fades in the dunes
Seaside daisy blooms
Spices fill the room
Hope to be home soon.
