

# All I Know

## Still Corners

Summer was like the fire  
You were like the child  
Somebody left the highway  
Nobody knows the cause

All I know, Is that I don't know  
All I know, Is that I don't know

Fire in the summer  
It's the fire  
It's desire  
Fire  
Desire

All I know, Is that I don't know  
All I know, Is that I don't know
