Sour Grapes

John Prine

I don't care if the sun don't shine
But it better or people will wonder
No matter if it never quits rainin'
Except the kids are afraid of the thunderSay sour grapes
You can laugh and stare
Say sour grapes
But I don't careI couldn't care less if I didn't have a friend
Except people would say I was crazy
I wouldn't work 'cause I don't need money
Except the same folks would say I was lazySay sour grapes
You can laugh and stare
Say sour grapes
But I don't careI couldn't care less if she never come back
I was gonna leave her anyway
And all the good times that we shared
Don't mean a thing todaySay sour grapes
You can laugh and stare
Say sour grapes
But I don't care
