

Suspicious Minds

Martina McBride

We're caught in a trap
I can't walk out
Because I love you too much baby yeahWhy can't you see
What you doin' to me
When you don't believe a word I'm sayin' sayin' sayin'We can't go on together
With suspicious minds (suspicious minds)
And we can't build our dreams
With suspicious mindsSo, if an old friend I know
Stops by to say hello
Would I still see suspicion in your eyes?Here we go again
Asking where I've been
Oh can't you see the tears I'm cryin' cryin' cryin'We can't go on together
With suspicious minds
And we can't build our dreams on
Suspicious mindsOh let our love survive
I'll dry the tears from your eyes
Don't let our good love die'Cause honey, you know
I'd never lie to you, oh
I'd never lie to youWe're caught in a trap
I can't walk out
Because I love you too much baby (I love you too much baby)Why can't you see
What you doin' to me
When you don't believe a word I'm sayin' (I love you too much baby)We're caught in a trap
You know I can't walk out
Ho, I love you too much baby (I love you too much baby)
YeahWhy can't you see
What you doin' to me
You don't believe a word I'm sayin'(I love you too much baby)We're caught in a trap
You know I can't walk out
