

Freeze (Radio Edit) [feat. Scotty G]

Roy Gates

I wanna freeze in this moment
like this
'Cause it has never been better
than this.
I wanna freeze...I wanna freeze
I wanna freeze in this moment
like this
'Cause it has never been better
than this.You don't want it to leave
You've got a feel it
Deep inside every cell
Got to believe it
This moment comes once in a life
Tell it you need it
Say that you believe itIf you don't want it to leave
You've got to breathe it
Deep inside every cell
Got to believe it
This moment comes once in a life
Tell it that you need it
Say that you believe itI wanna freeze in this moment
like this
(I wanna freeze)I wanna freeze in this moment
like this
'Cause it has never been better
than this!...
