

Banana Co.

Radiohead

Oh, Banana Co
We really love you and we need you
And oh, Banana co
We'd really love to believe you But everything's underground
We gotta dig it up somehow, yeah yeah Oh, she said, "No go"
She said she'd like to, she's seen you
And oh, Banana Co
She knows if you die, then we all do And everything's underground
We gotta dig it up somehow, yeah yeah Everything's burnin' down
We gotta put it out somehow, yeah yeah
