

# Broken Little Sister

## Death in Vegas

You blew it if you try, little sister  
You're blowin' it sky high, little sister  
You killed your brother when you blew his brain  
You're high on money and your lover's pain  
An' kiss your mommy with your life again, oh-oh Oh was it a good time?  
Oh was it a good time?  
Oh was it a good time?  
Oh was it a good time?  
Good time  
Good time  
Good time  
Good time Broken little sister  
Broken little sister  
Broken little sister  
Broken little sister Sister  
Sister  
Sister  
Sister
