

I'm Here

Baxter

I am here, I am here
Please take time
It doesn't matter what you have in mind for me
I don't know
It doesn't matter if you wanna do what I do I can't feel with this old feeling
And maybe that will hurt me
I don't understand what you do
I can't leave
It doesn't seem to end I am here
Keep on taking time
I am here
Keeps me going I [unverified]
I don't know to mess around
