

# Wanting More

Kay Jay

Wake up take it slow  
reach for the sun  
grab the day till it's gone  
make it my own

Fall in love with me and follow me down  
I won't let you down, I won't let you down

What did i do to deserve you?  
what did i do to win this love?  
where did you find me  
where in the world did you come from  
I never felt so alive before  
you leave me wanting more

I just can't get enough of you  
let me steal you away  
let's pretend you'll never leave  
tell me that you're here to stay

Fall in love with me and follow me down  
won't let you down, won't let you down

What did i do to deserve you?  
what did i do to win this love?  
where did you find me  
where in the world did you come from

I never felt so alive before  
you leave me wanting more

More of this feeling  
more of what you bring  
I can't help but think about it everyday  
More of you give  
To change the way I live  
this is the start of our new love

What did i do to deserve you?  
what did i do to win this love?

where did you find me  
where in the world did you come from

What did i do to deserve you?  
what did i do to win this love?

where did you find me  
where in the world did you come from

I never felt so alive before  
you leave me wanting, you leave me wanting, you leave me wanting more
