Everything Will Be Alright

Bernhoft

Everything will be alright this morning.
Everything will be alright tonight.
Everything will be alright this morning.
Everything's gonna be alright.I caught some flak and it near had me buried.
I stank of failure and it did me in.
I was ready to crawl down in a bucket.
Swim with the maggots of the garbage bin.(Wait up!) Someone shouting from the skies up above me.
I had to had to peek over the rim.
Lo and behold! An angel before me.
Singing the words of Carole King.
When you're down, you've got a friend.
Get up and sing, get up and sing!
You'll get shot at, some will shoot to kill.
But who do you trust?
Get up brother, tell them all, sing it out with me now:Everything will be alright this morning.
Everything will be alright tonight.
Everything will be alright this morning.
Everything's gonna be alright.Haters! Shut your faces.
Lovers! Show me your grace.
Haters! Haters gonna hate
But just give a little loving and you win them all over
Haters! Shut your faces.
Lovers! Show me your grace.
Haters! Haters gonna hate
But just give a little loving and you win them all over in the end.
So in the end I had to get out of my slippers.
Strap on the boots and join the fight.
Two fingers in the air, a peace & love warrior;
Superb weapon when applied just right.
Call me naÃ¯ve, call me dumb, call me old-fashioned.
Go ahead, call me whatever you like.
I've lost faith in words counterproductive.
I believe in what beams baby.If the sky grows cloudy and dark.
I'll build a fire, I'll build a fire.
Winter, spring, come summer or fall.
Remember these words.
Get up sister, tell them all, sing it out with me now.Everything will be alright this morning.
Everything will be alright tonight.
Everything will be alright this morning.

Everything's gonna be alright.Haters! Shut your faces.
Lovers! Show me your grace.
Haters! Haters gonna hate
But just give a little loving and you win them all over
Haters! Shut your faces.
Lovers! Show me your grace.
Haters! Haters gonna hate
But just give a little loving and you win them all over in the end.Everything will be alright this morning.
Everything will be alright tonight.
Everything will be alright this morning.
Everything's gonna be alright.Whoo hoo hooo...
