Warm And Tender Love

Percy Sledge

Let me wrap you in my warm and tender love, yeah
Let me wrap you in my warm and tender loveOh, I loved you for a long, long time
Darling, please say you'll be mine
And let me wrap you in my warm and tender loveLet me wrap you in my warm and tender love, yeah
Let me wrap you in my warm and tender loveYou're so lovely, you're oh so fine
Come on and please me with your touch
And let me wrap you in my warm and tender loveThough I loved you a long, long time
Darling, please say you'll be mine
And let me wrap you in my warm and tender love(I said it'll be alright if you just let me)
Let me wrap you in my warm and tender love
(Oh yeah, baby, come on and let meLet me wrap you in my warm and tender love
(I said it'll be alright if you just let me)
Let me wrap you in my warm and tender love
(Oh yeah, baby, come on and let me)
Let me wrap you in my warm and tender love
