Nothing

Dry Kill Logic

Do you want to step to this? Wanna mess with this?
Wanna piss on this? You're on my shit list
Did you lie to me? Are you blind to see?
I never ever gave a fuck of what they thought of meHow can I trust you, when I know you?
Nothing meant more to me than you
You took, I gave, your breath please saveNow I see clearly, you'll pay for this dearly
Everything that I thought we had was a lie
What goes around comes aroundOnce lost now I am found all of this hatred I focus on you
I have nothing you've given me nothing
And I thought we had something to believe in
DeceivingMy point of view you don't seem to like
These thing of you you don't like to smile
But you don't want to be my friend
'Cuz we are on again, then off again
Then on again, let's not pretend that this could ever be
It can't you see?Now I see clearly, you'll pay for this dearly
Everything that I thought we had was a lie
What goes around comes aroundOnce lost now I am found all of this hatred I focus on you
I have nothing, you've given me nothing
And I thought we had something to believe in
Deceiving, nothing
