## Girl Talk

If you don't give a damn, we don't give a fuck - Hey!  
If you don't give a damn, we don't give a fuck - Hey!  
If you don't give a damn, we don't give a fuck - Hey!  
If you don't give a damn, we don't give a fuck - Hey!

Don't start no shit, it won't be no shit!  
Don't start no shit, it won't be no shit!  
Don't start no shit, it won't be no shit!  
Don't start no shit, it won't be no shit!

Ahoo Hey! Don't start no shit, it won't be no shit!  
Ahoo Hey! Don't start no shit, it won't be no shit!

Shorty get down good Lord,  
Baby got em open all over town.  
Strictly biz she don't play around,  
cover much grounds, got game by the pound.  
Gettin paid is her forte, each and every day  
true player way.  
I can't get her out of my mind  
I think about the girl all the time  
Wow Wow wow  
East side to the west side, push your fat rides  
It's no surprise

She got tricks in the stash  
stackin up the cash  
fast when it comes to the gas  
by no means average  
she's on when she's got to have it  
baby you're a perfect ten  
They wanna get in  
can you get down so you can win?

I like the way you work it, no diggity, I gotto bag it up  
I like the way you work it, no diggity, I gotto bag it up  
I like the way you work it, no diggity, I gotto bag it up  
I like the way you work it, no diggity, I gotto bag it up

They pulled into nazareth, feelin bout half past dead, it's goin down  
just need a place, where you can lay your heaaad, hey mister, can you tell me

where a man might find a bed. He just grinned and shook my hand..no was all he said

Take a load of annie  
take a load for free  
Take a load of annie  
and

They wanna be like me, recreate my flow  
imitate my flow, then relate my flow  
but while they try an take my flow, I make my dough  
aiyyo I can make it rain, cuz I be makin it snow  
but yo, I been takin it slow, I wasn't around  
but the car crash couldn't lay the hustla down

nah, I'm still here, for real I'm still here, it wasn't lookin pretty, but swizzy, I'm still here  
they said I could've been brain dead in a wheel chair, but I'm standin in the boof and the skills are still here  
yeah, the hustla home, the hustla home, let's celebrate a toast with a cup of patron  
I got my drank and my two step, my drink and my two step got my drank and my twostep got my drank and my  
two step

It's on, it's on it's on, and I'm on, get the patron and tell em that it's on  
I got my drank and my two step, my drink and my two step got my drank and my twostep got my drank and my  
two step

It's on, it's on it's on, and I'm on, get the patron and tell em that it's on
