

Effortlessly

Field Music

You said a funny thing
I'm sure it's no joke
I don't mean to mishear
But I don't suppose I get the point I laugh anyway
Laugh anyway
Smiling effortlessly
Effortlessly So ask me again
How could my reply be unchanged? You really hit the nerve
I know it's no excuse
I don't want to be cruel
But I don't make the money I don't make the rules for this
So take this hit
Take this hit effortlessly
Effortlessly So ask me again
How could my reply be unchanged? You really hit a nerve
Now I know that's no excuse
I don't want to be cruel
I don't make the rules for this So take this hit
Take this hit effortlessly
Effortlessly
