BLUE

Troye Sivan

Love it's hard, I know
All your lights are red, but I'm green to go
Used to see you high, now you're only low
All your lights are red but I'm green to goI want you
I'll colour me blue
Anything it takes to make you stay
Only seeing myself
When I'm looking up at you
I want you
I'll colour me blue
Anything it takes to make you stay
Only seeing myself
When I'm looking up at youI can't say no
Though the lights are on
There's nobody home
Swore I'd never lose control
Then I fell in love with a heart that beats so slowI want you
I'll colour me blue
Anything it takes to make you stay
Only seeing myself
When I'm looking up at you
I want you
I'll colour me blue
Anything it takes to make you stay
Only seeing myself
When I'm looking up at youI know you're seeing black and white
So I'll paint you a clear blue sky
Without you I am colour-blind
It's raining every time I open my eyes
I know you're seeing black and white
So I'll paint you a clear blue sky
Without you I am colour-blind
It's raining every time I open my eyesI want you
I'll colour me blue
Only seeing myself
When I'm looking up at you
When I'm looking up at youI want you
I'll colour me blue
Anything it takes to make you stay

Only seeing myself
When I'm looking up at you
I want you (when I'm looking up at you)
I want you
I'll colour me blue
Anything it takes to make you stay
Only seeing myself
When I'm looking up at youI want you
I'll colour me blue
Anything it takes to make you stay
Only seeing myself
When I'm looking up at you
