

# Let a Good Thing Go

[Gemma Hayes](#)

In the shade of every moment I bled  
Such a sorrow was to be expectedI let a good thing go  
I let a good thing goNow every feeling it kicks me to the bone  
And takes me under to a place that I have known  
There goes my quiet life I used to keep me warm  
In the shade of this moment I am bornI let a good thing go  
I let a good thing goIn the shade of every moment I bled  
Such a sorrow was to be expectedI let a good thing go  
I let a good thing go  
Good thing go
