

# Hey, Little Girl

## ICEHOUSE

hey hey  
when everything goes wrong  
sometimes it makes no sense  
hey hey  
there once was a time  
I should have known better then  
hey hey  
although you may try  
it won't come your way again  
hey little girl  
where will you hide  
who can you run to now  
hey little girl  
where will you go  
who can you turn to now  
hey hey  
so why should I care  
if somebody let you down  
hey hey  
that's nothing new  
I know just what that can mean  
hey hey  
well the way that they talk  
the talk is all over town  
hey hey  
and it's no surprise  
little girls hurt sometimes  
hey little girl  
where will you hide  
who can you run to now  
hey little girl  
where will you go  
who can you turn to now  
hey hey  
when everything goes wrong  
sometimes it makes no sense  
hey hey  
hey little girl  
I should have known better

known better then  
hey hey  
hey little girl  
where will you hide  
who can you run to now  
hey little girl  
where will you hide  
who can you run to now  
hey little girl  
where will you go  
who can you turn to now
