

You Belong With Me

Taylor Swift

You're on the phone with your girlfriendâ€”she's upset
She's going off about something that you said
'Cause she doesn't get your humor like I do. I'm in the room, it's a typical Tuesday night.
I'm listening to the kind of music she doesn't like.
And she'll never know your story like I do But she wears short skirts
I wear t-shirt
She's cheer captain
And I'm on the bleachers Dreaming about the day when you wake up and find
That what you're looking for has been here the whole time.
If you could see
That I'm the one
Who understands you
Been here all along
So, why can't you see
You belong with me
You belong with me? Walk in the streets with you in your worn out jeans
I can't help thinking this is how it ought to be.
Laughing on a park bench thinking to myself
"Hey, isn't this easy?" And you've got a smile
That can light up this whole town
I haven't seen it in awhile
Since she brought you down. You say you're fineâ€”I know you better than that
Hey, what you doing with a girl like that?
She wears high heels
I wear sneakers
She's cheer captain
And I'm on the bleachers Dreaming about the day when you wake up and find
That what you're looking for has been here the whole time If you could see
That I'm the one
Who understands you
Been here all along
So, why can't you see
You belong with me? Standing by and waiting at your backdoor.
All this time how could you not know, baby?
You belong with me
You belong with me Oh, I remember you driving to my house
In the middle of the night
I'm the one who makes you laugh
When you know you're 'bout to cry I know your favorite songs

And you tell me about your dreams
Think I know where you belong
Think I know it's with me Can't you see that I'm the one
Who understands you?
Been here all along
So, why can't you see
You belong with me? Standing by and waiting at your backdoor.
All this time how could you not know, baby?
You belong with me
You belong with me
You belong with me
Have you ever thought just maybe
You belong with me?
You belong with me
