Goin' back home  
To the village of the sun  
Out in back of palmdale  
Where the turkey farmers run, I done  
Made up my mind  
And I know I'm gonna go to sun  
Village, good God I hope the  
Wind don't blow  
It take the paint off your car  
And wreck your windshield too,  
I don't know how the people stand it,  
But I guess they do  
Cause they're all still there,  
Even johnny franklin too  
In the village of the sun  
Village of the sun  
Village of the sun, son

(sun village to you)  
Little mary, and teddy, and thelma too  
Where palmdale boulevard  
Cuts on through  
Past the village inn & barbecue  
(I heard it ain't there...  
Well I hope it ain't true)

Where the stumblers gonna go  
To watch the lights turn blue  
Where the stumblers gonna go  
To watch the lights turn  
Blue-ooo-ooo-ooo-ooo-ooo-wahhh?  
Goin' back home  
To the village of the sun  
Out in back of palmdale  
Where the turkey farmers run, I done  
Made up my mind  
And I know I'm gonna go to sun  
Village, good God I hope the  
Wind don't blow  
It take the paint off your car  
And wreck your windshield too,  
I don't know how the people stand it,  
But I guess they do  
Cause they're all still there,  
Even johnny franklin too  
In the village of the sun  
Village of the sun  
Village of the sun, son  
(sun village to you)
