

# Not On Your Own Tonight

## Damien Dempsey

Walkin' through the city  
Was as lonely as could be  
I'm wanderin' in the night-time out in search of company  
I feel real isolation  
When all around me life  
Familiar but unfriendly  
Unfriendly with no choice  
And, I can see the evil  
But I can feel the good  
Shining out to greet me  
From within bone and blood  
I'm throwin' off this loneliness  
I can't stick it anymore  
Only need myself tonight to open up that door  
And I know that sometimes it gets so bad  
But you're not on your own so don't be sad  
'Cos if you feel real bad then you're not on your own tonight  
Please don't be so sad 'cos you're not on your own tonight  
Oh yeah yeah yeah,  
You see I know the feelin'  
Don't have to tell me nothin'  
'Cos you know I know the feelingEverybody seems to think it's they who bear the pain  
They who bear the biggest cross  
The loneliness and the shame  
Day to day you suffer when you're livin' in your past  
If you started livin' for the now you could free yourself at last  
If you started living for the now, for yourself and those around,  
Experience and celebrate the freedom that you've found  
You could free yourself forever, and live life as you should  
The choice is yours to take now 'cos I've said all that I could.  
But I know that sometimes it gets so bad  
But you're not on your own so don't be sad  
'Cos if you feel real bad then you're not on your own tonight  
Please don't be so sad 'cos you're not on your own tonight  
Well if you feel real bad then you're not on your own tonight  
Please don't be so sad 'cos you're not on your own tonight  
Oh yeah yeah yeah,  
You see I know the feelin'  
Don't have to tell me nothin'

You know I know the feeling

Well if you feel real bad then you're not on your own

Please don't be so sad 'cos you're not on your own

Tonight...
