We Rule The Night

Sonic Syndicate

We walked through the sunshine, we walked through the rain
As endless as time, the thoughts will remain
We'll take what we want, you take what you need
We are the targets, you better believeNo one can save you, there's nothing to say
Deception's the name of the gameWe rule the night
Only the strong will survive
There's no wrong, there's no right
We rule the nightWe rule the night
We'll never give up the fight
Where the wrong is alright
We rule the nightAll is for one and one is for all
If we take the fight then you take the fall
You run from the shadows but they call my name
You search for the truth but your search is in vainNo one can save you, there's nothing to say
Deception's the name of the gameWe rule the night
Only the strong will survive
There's no wrong, there's no right
We rule the nightWe rule the night
We'll never give up the fight
Where the wrong is alright
We rule the night, we rule the nightWhen you're looking for someone to blame
I know you'll remember my nameWe rule the night
Only the strong will survive
There's no wrong, there's no right
We rule the nightWe rule the night
We'll never give up the fight
Where the wrong is alright
We rule the night, we rule the night
We rule the night, we rule the night
We rule the night
