

Dangerzone (Featuring Kelela & Ian Isiah)

Future Brown

I get to livin in the garden and i thought it was you.
Swimin in the sea of unfamiliar faces diving in the heart of you. ooooh.
It's like im on a new drug cant quit no ive just begun. we bout to go blood for blood
im in the dangerzone cant somebody
please save me im in the dangerzone.
need someone like you to to rescue me. im in the danger zone.
