

# I'll Take Everything (Demo Version)

**James Blunt**

Ooh, these feet carry me far  
Ooh, my body oh so tired  
Mouth is dry  
Hardly speak  
Holy spirit rise in me Oo, here I swear  
Forever is just a minute to me And I'll take everything  
Mmm, mmm, mmm  
In this life  
I'll join everyone  
Ooo, when I die  
Have my body  
Have my mind  
Have my coat  
Take me tie  
These are borrowed  
Borrowed so far  
Turn to dust  
Fall apart Here I swear  
Forever is just a minute to me And I'll take everything  
Mmm, mmm, mmm  
In this life  
I'll join everyone  
Oh, and understand  
'Cause all men die (all men die)  
'Cause all men die  
And I'll take everything  
Mmm, mmm, mmm  
In this life  
I'll join everyone  
Ooo, 'cause I'm gonna die  
And I'll take everything  
Mmm, mmm, mmm  
In this life  
I'll join everyone  
'cause all men die
