

Baby I Love Your Way

Peter Frampton

Shadows grow so long before my eyes
And they're moving across the page
Suddenly the day turns into night
Far away from the city
Don't hesitate
'Cause your love won't wait

Oh baby I love your way, everyday
Wanna tell you I love your way, everyday
Wanna be with you night and day

Moon appears to shine and light the sky
With the help of some firefly
Wonder how they have the power to shine, shine, shine
I can see them under the pine
Don't hesitate
'Cause your love won't wait

Oh baby I love your way, everyday
Wanna tell you I love your way, oh
Wanna be with you night and day, oh yeah

Well don't hesitate
'Cause your love won't wait

I can see the sunset in your eyes
Brown and gray, blue besides
Clouds are stalking islands in the sun
I wish I could buy one
Out of season

Don't hesitate
'Cause your love won't wait

Oh baby I love your way, everyday
Wanna tell you I love your way
Wanna be with you night and day

Oh baby I love your way, everyday
Wanna tell you I love your way

Wanna be with you night and day, yeah
