

Coming Back

P.O.D.

He's coming back
He's coming back for me and you
He's coming back for me and you
He's coming back for me and you It's the low down
The show down
Brother, ready to throw down No need for us to go down
The truth is what we know how
That we have life through my Lord, Jesus Christ
No one can love you more Than to do the things that he did
So give him your pass
So that he can start to mold ya
Full-fledged dedicated Hardcore Christian soldier
Spiritual war, it's a spiritual bout
And we're the first ones in P.O.D.
And we're the last ones out He's coming back
He's coming back for me and you
