Anointed

Blaqk Audio

I lay down, face the ground, and here I will wait for you. I read about you in those books that they forbade, so I lay dreaming for you, yet still, yet still afraid to look.
Just gaze down, don't come down. It's far too filthy don't you defy the pages of my books that I've _____. I have them waiting for you until, until you choose to look.
(, listed at the end)
They tied down by me now, the fight was too alluring and in your radiance I shook. I shed my skin exposed, I'm waiting for you. Face down, don't be afraid to look.
Let me bathe in you.
()
And all i want is to be close to you, for when I'm close to you, no one can see me. It's all i want. Just put your hands on me, and tell me honestly, do I grow dirty, do I grow dirty?
Let me bathe in you.
()
You are anointed, boy, reach out I will bow down, so i may be anointed.
You are anointed, boy, reach out, I will vow now (echoed) so i may be anointed.
(with slightly)
So I may be anointed.
You are anointed, boy, no one can do you harm. Reach out, I will bow down, put your hands upon me.
_____ anointed, boy, just grip me with your _____. Reach out and drown me now, so I may be anointed.
