## Hercules and Love Affair

We all share the light  
It is so freely ours  
I say my friend  
Sun come down easy  
Sun come down easy I am not a fisherman  
But I do know the sea  
I say my friend  
Waves come down easy  
Waves come down easy The clouds that hang above  
They nourish, they feed  
I pray my friends  
Rain come down easy  
Rain come down easy There is a rhythm  
She plays her drums her songs  
I pray my friends  
We must go easy  
We must go easy [Repeat: x3]  
Walk, walk slowly, don't run  
There is no where to get to  
Walk, walk slowly don't run  
Stay with your family This day she gives us  
It is a gift  
Honor your family This day she gives us  
It is a gift  
Honor your family
