Mercury

Counting Crows

She is trapped inside a month of gray
And they take a little every day
She is a victim of her own responses
Shackled to a heart that wants to settle and then runs away
It's a sin to be fading endlesslyYeah, but she's all right with meShe is leaving on a walkaway
She is leaving me in disarray
In the absence of a place to be
She stands there looking back at me, hesitates, and then turns away
She'll change so suddenly, she's just like mercuryYeah, but she's all right with meKeep some sorrow in your hearts and minds
For the things that die before their time
For the restlessly abandoned homes
The tired and weary rambler's bones and stay beside me where I lie
She's entwined in me, crazy as can beYeah, but she's all right with meYou know she's all right, she's all right with me
She's all right with me, she's all right with me
She's all right with me
