## Mercury

## **Counting Crows**

She is trapped inside a month of gray And they take a little every day She is a victim of her own responses

Shackled to a heart that wants to settle and then runs away

It's a sin to be fading endlessly Yeah, but she's all right with meShe is leaving on a walkaway

She is leaving me in disarray

In the absence of a place to be

She stands there looking back at me, hesitates, and then turns away

She'll change so suddenly, she's just like mercury Yeah, but she's all right with meKeep some sorrow in your hearts and minds

For the things that die before their time

For the restlessly abandoned homes

The tired and weary rambler's bones and stay beside me where I lie

She's entwined in me, crazy as can beYeah, but she's all right with meYou know she's all right, she's all right

with me

She's all right with me, she's all right with me She's all right with me
